INLAND NORTHWEST CHAPTER ASSOCIATED GENERAL CONTRACTORS
OPERATORS APPRENTICESHIP COMMITTEE

The Washington State Apprenticeship and Training Council (WSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship and training program in the State of Washington.

Apprenticeship programs and committees function, administer, or relinquish authority only with the consent of the WSATC and only apprentices registered with the supervisor or recognized under the terms and conditions of a reciprocal agreement will be recognized by the WSATC.

Parties signatory to these Standards declare their purpose and policy is to establish and sponsor an organized system of registered apprenticeship training and education.

These Standards are in conformity and are to be used in conjunction with the Apprenticeship Rules, Chapter 296-05 WAC (Washington Administrative Code); Apprenticeship Act, Chapter 49.04 RCW (Revised Code of Washington); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which govern employment and training in apprenticeable occupations. They are part of this apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship. Additional information may need to be maintained by the program that is supplemental to these apprenticeship standards. This information is for purposes of ensuring compliance with decisions of the WSATC and the apprenticeship laws identified above.

If approved by the council, such amendment/s and such changes as adopted by the council shall be binding to all parties. Sponsors shall notify apprentices of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Department of Labor and Industries (L&I) may adopt language that will conform to applicable law. The remainder of the Standards will remain in full force and effect.

See WAC 296-05-003 for the definitions necessary for use with these Standards.

The Inland Northwest Chapter Associated General Contractors Operators Apprenticeship Committee, composed of representatives from the Associated General Contractors of America, Inland Empire Chapter, Spokane, Washington, working in cooperation with the Washington State Apprenticeship and Training council and the Bureau of Apprenticeship and Training, U.S. Department of Labor, have developed the following Standards to provide the best possible training for registered operating engineer apprentices in the area covered by these Standards

I. GEOGRAPHIC AREA COVERED:

The sponsor has no authority to conduct training outside of the geographical area covered by these Standards. The sponsor may enter into an agreement (portability agreements – see WAC 296-05-303(3)) with other apprenticeship committees for the use of apprentices by training agents that are working outside their approved geographic area. Also, if a reciprocity agreement (see WAC 296-05-327) is in place, the out-of-state sponsor may use their registered apprentices. The sponsor will ensure compliance with the provisions of any agreement recognized by the WSATC.

INLAND NORTHWEST CHAPTER ASSOCIATED GENERAL CONTRACTORS
OPERATORS APPRENTICESHIP COMMITTEE

The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Washington State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations. (WAC 296-05-316(3))

A. Selection Procedures:

- 1. Applicants who desire to become an apprentice must make application at: Inland Northwest Associated General Contractors, Apprenticeship**

INLAND NORTHWEST CHAPTER ASSOCIATED GENERAL CONTRACTORS
OPERATORS APPRENTICESHIP COMMITTEE

Program, E. 4935 Trent, P.O. Box 3266, Spokane, WA 99220-3266. All applicants shall submit to the area Apprenticeship Committee a copy of their birth certificate, transcripts of school courses and grades obtained.

2. Such information will also be posted thirty (30) days prior at the program sponsor's normal place of application for apprenticeship. Applications of responding candidates will be recorded. Proper agencies shall be notified of intent to open for applications.
3. Every applicant will be interviewed by the Apprenticeship Committee or a sub-committee before being permanently accepted in this apprenticeship system. When selecting an applicant to become registered as an apprentice, the decision of the area Apprenticeship Committee shall be binding upon the Contractor or employer.
4. The applicant will be graded in terms of overall judgment as to one likely to complete the apprenticeship program and become a successful journey-level worker.
5. The Apprenticeship Committee has agreed to accept persons who have successfully completed approved preparatory training, such candidates may be selected directly into available apprenticeship openings without regard to existing eligibility lists.

B. Equal Employment Opportunity Plan:

1. Participation in annual workshops, if available, designed to familiarize all concerned with the apprenticeship system and current opportunities.
2. Cooperate with school boards, community colleges and vocational schools to develop programs which prepare students for entrance into apprenticeship.
3. Engage in such programs as OUTREACH for the positive recruitment and preparation of potential applicants for apprenticeship; where appropriate and feasible, such programs shall provide for pre-testing experience and training. If no programs are in existence, the sponsor shall seek to initiate these programs, or, when available, to obtain financial assistance from the Council. In initiating and conducting these programs, the sponsor may be required to work with other sponsors and appropriate community organizations. The Sponsor shall also initiate programs to prepare women and encourage women to enter the traditionally male programs.
4. To encourage the establishment and utilization of programs of pre-apprenticeship, preparatory trade training, or others designed to afford related work experience or to prepare candidates for apprenticeship, a

INLAND NORTHWEST CHAPTER ASSOCIATED GENERAL CONTRACTORS
OPERATORS APPRENTICESHIP COMMITTEE

sponsor shall make appropriate provisions in its affirmative action plan to insure that those who complete such programs are afforded full and equal opportunity for admission into the apprenticeship program.

5. Engage in any such action as stated above to insure that recruitment, selection, employment, and training of apprentices without during apprenticeship shall be without discrimination because of race, color, religion, national origin, or sex.

IV. TERM OF APPRENTICESHIP:

The minimum term of apprenticeship must not be less than 2000 hours or 12 months of work experience in each occupation identified in these Standards as apprenticeable. The term of apprenticeship must be stated in hours or months of employment.

The term of apprenticeship shall be 6000 hours of work experience.

V. INITIAL PROBATIONARY PERIOD:

All apprentices are subject to an initial probationary period, stated in hours or months of employment for which they receive full credit toward completion of apprenticeship. Advance credit/standing will not reduce the initial probationary period. The initial probationary period:

- Is the period following the apprentice's acceptance into the program and during which the apprentice's appeal rights are impaired. The initial probation must not exceed twenty percent (20%) of the term of apprenticeship unless an exemption by the WSATC has been granted for longer probationary periods as specified by Civil Service or law.
- Is the period that the WSATC or the supervisor of apprenticeship may terminate an apprenticeship agreement at the written request by any affected party. The sponsor or the apprentice of the apprenticeship agreement may terminate the

INLAND NORTHWEST CHAPTER ASSOCIATED GENERAL CONTRACTORS
OPERATORS APPRENTICESHIP COMMITTEE

agreement without a hearing or stated cause. An appeal process is available to apprentices who have completed the initial probationary period.

All apprenticeships shall be subject to a tryout or probationary period not exceeding the first 1200 hours of employment.

VI. RATIO OF APPRENTICES TO JOURNEY LEVEL WORKERS:

Supervision is the necessary education, assistance, and control provided by a journey-level employee that is on the same job site at least seventy-five percent of each working day, unless otherwise approved by the WSATC. The sponsor will assure that apprentices are under the supervision of competent and qualified journey-level workers on the job who are responsible for the work being performed, to ensure safety and training in all phases of the work. Apprentices will work the same hours as journey-level workers, EXCEPT where such hours may interfere with related/supplemental instruction. (see WAC 296-05-316(5))

An employer employing one (1) or more journey-level workers in the trade of construction equipment operator at the job site may employ one (1) apprentice and one (1) additional apprentice shall be employed thereafter for each five (5) journey-level workers employed at the job site.

VII. APPRENTICE WAGES AND WAGE PROGRESSION:

The apprentice will be paid a progressively increasing schedule of wages based on specified percentages of journey-level wage consistent with skills acquired. These may be indicated in hours or monthly periods set by the sponsor. The entry wage will not be less than the minimum wage prescribed by the Fair Labor Standards Act, where applicable, unless a higher wage is required by other applicable federal law, state law, respective regulations, or by collective bargaining agreement.

The sponsor may accelerate, by an evaluation process, the advancement of apprentices who demonstrate abilities and mastery of the occupation to the level for which they are qualified. When the apprentice is granted advanced standing the sponsor must notify the employer/training agent of the appropriate wage per the wage progression schedule specified in these Standards.

IX. RELATED/SUPPLEMENTAL INSTRUCTION:

The apprentice must attend related/supplemental instruction. Time spent in related/supplemental instruction will not be considered as hours of work, and the apprentice is not to be paid for time so spent, unless otherwise stated in these Standards.

The sponsor/training agent must provide for instruction of the apprentice during the related/supplemental instruction in safe and healthful work practices in compliance with the Washington Industrial Safety and Health Act, and applicable federal and state regulations.

In case of failure on the part of any apprentice to fulfill this obligation, the sponsor has authority to take disciplinary action (see Administrative/Disciplinary Procedures section).

Clock hours of actual attendance by the apprentice in related/supplemental instruction classes at the community/technical college or other approved training locations shall be reported to L&I on a quarterly basis for verifying attendance and industrial insurance purposes.

For industrial insurance purposes, the WSATC will be considered as the employer should any apprentice, not being paid to attend, sustain an injury while participating in related/supplemental classroom activity, or other directly related activity outside the classroom. The activities must be at the direction of the instructor.

The methods of related/supplemental training must consist of one or more of the following:

- ☒ (X) Supervised field trips
- ☒ (X) Approved training seminars
- ☒ (X) A combination of home study and approved correspondence courses
- ☒ (X) State Community/Technical college
- ☐ () Private Technical/Vocational college

INLAND NORTHWEST CHAPTER ASSOCIATED GENERAL CONTRACTORS
OPERATORS APPRENTICESHIP COMMITTEE

- B. The Apprenticeship Committee recommends that the courses for apprenticeship be limited to those who are actually apprentices to the trade in accordance with these Standards.**
- C. Apprentices shall not be allowed more than three (3) unexcused absences per instructional calendar year. An excused absence is the Apprentice working with a written excuse from the employer, or the Apprentice sick with a written excuse from the doctor. Disciplinary action shall be an explanation to the Joint Apprenticeship Training Committee of why Apprentice could not attend. Such disciplinary action may result in probation, suspension, or cancellation of the Apprenticeship Agreement.**

X. ADMINISTRATIVE/DISCIPLINARY PROCEDURES:

Sponsors may include in this section requirements and expectations of the apprentices and training agents and an explanation of disciplinary actions that may be imposed for noncompliance. The sponsor has the following disciplinary procedures that they may impose: Disciplinary Probation, Suspension, or Cancellation.

Disciplinary Probation: A time assessed when the apprentice's progress is not satisfactory. During this time the program sponsor may withhold periodic wage advancements, suspend or cancel the apprenticeship agreement, or take further disciplinary action. A disciplinary probation may only be assessed after the initial probation is completed. During the disciplinary probation, the apprentice has the right to file an appeal of the committee's action with the WSATC (as described in WAC 296-05-009).

Suspension: A suspension is a temporary interruption in progress of an individual's apprenticeship program that may result in the cancellation of the Apprenticeship Agreement. Could include temporarily not being allowed to work, go to school or take part in any activity related to the Apprenticeship Program until such time as the Apprenticeship Committee takes further action.

Cancellation: Refers to the termination of an apprenticeship agreement at the request of the apprentice, supervisor, or sponsor. (as described in WAC 296-05-009).

A. General Procedures

1. Administrative Procedures:

The progress and growth of the building, heavy, highway and engineering construction have created a need for a variety of large and costly

INLAND NORTHWEST CHAPTER ASSOCIATED GENERAL CONTRACTORS
OPERATORS APPRENTICESHIP COMMITTEE

equipment. To operate this equipment likewise requires a variety of skills. The source of this skill is the operating engineer.

To efficiently operate and maintain this large and costly equipment, the operator must have a thorough knowledge of the capabilities of the equipment. Much of the work performed by these machines is done to close tolerances calling for the utmost skill in their operations. With the constant introduction of new equipment and materials into the industry, the operator has to keep abreast with the changing skills and methods of operation. The operator must also be able to make minor adjustments and repairs to his/her machine and understand its servicing procedure. The above equipment must have preventative maintenance as well as scheduled maintenance. The Committee has adopted the apprenticeship system as a means of providing a continuing supply of highly skilled operating engineers for all branches of this industry.

2. Hiring of Apprentices:

Employers desiring an apprentice shall make request for said apprentice to the Apprenticeship Committee or their designated authority.

3. Any apprentice may be rotated from employer to employer or job site to job site by the Apprenticeship Committee or designated authority.

4. Processing of applications:

- a. All applications are obtained, processed and filed at the office of the Apprenticeship Committee.
- b. A log shall be kept in the apprenticeship office, indicating the number of each application, logged to the left hand column of each applicant's name. The date application is returned and accepted is displayed on the right side of the applicant's name in the log.
- c. Interested persons are encouraged to obtain applications in person.
- d. The following information shall be recorded with each application.
 - (1) Date application is obtained
 - (2) Date proof of age and education is displayed
 - (3) Results of interview
- e. Application is void after two (2) years, and those interested must reapply.

5. Periodic Evaluation and Record Books:

INLAND NORTHWEST CHAPTER ASSOCIATED GENERAL CONTRACTORS
OPERATORS APPRENTICESHIP COMMITTEE

Each apprentice, upon registration, shall be furnished with a "Record Book"; the apprentice must faithfully keep this record, which shall be verified at the end of each month by the foreman or the journey-level worker supervising the apprentice. An evaluation of the apprentice shall be made each 1000 hours by the Apprenticeship Committee to determine his/her eligibility to receive the scheduled increase in his/her rate of pay. In these examinations consideration shall be made of school attendance, progress and daily employment record of the apprentice.

This record must be submitted to the apprenticeship office no later than the 10th of the following month, regardless if apprentice is working or not. The Apprenticeship Committee shall have the authority to withhold advancement, suspend or cancel his/her Agreement for failure to comply. The apprentice and the employer agree to abide by any such determination of the Committee.

6. Disciplinary Procedures:

- a. The basic work day and work week for apprentices shall be the same as that of a journey-level worker and the apprentices shall be subject to the same conditions including, but not limited to, accepted work rules pertaining to all safety codes, refusing employment as offered, dependability and reliability, extensive tardiness or absenteeism. Upon proper and legal review by the Apprenticeship Committee, the apprentice may be canceled from the Apprenticeship Program for failure to abide by these work rules. At no time will an apprentice be permitted to work without being under the supervision of a journey-level worker of their trade, nor shall he/she act as a foreman.
- b. **Substance Abuse Testing:** The Apprenticeship Committee shall have the authority to adopt a drug and alcohol testing program in order to ensure that each apprentice can work safely in a drug and alcohol free environment. Each apprentice agrees to be subject to such testing as a condition for maintaining his or her apprenticeship agreement.

B. Local Apprenticeship Committee Policies

XI. COMMITTEE – RESPONSIBILITIES AND COMPOSITION

NOTE: The following is an overview of the requirements associated with administering an apprenticeship committee and/or program. These provisions are to be used with the corresponding RCW and/or WAC.

The sponsor is the policymaking and administrative body responsible for the operation and success of this apprenticeship program. A committee is responsible for the day-to-day operations of the apprenticeship program and they must be knowledgeable in the process of apprenticeship and/or the application of Chapter 49.04 RCW and Chapter 296-05 WAC. Sponsors must develop procedures for:

- A. Committee Operations (WAC 296-05-316): (Not applicable for Plant Programs)
Convene meetings at least three times per year of the program sponsor and apprenticeship committee attended by a quorum of committee members as defined in the approved Standards. If the committee does not indicate its definition of quorum, the interpretation will be “50% plus 1” of the approved committee members. Conference call meetings may be conducted in lieu of regular meetings but must not exceed the number of attended meetings and no disciplinary action can be taken during conference call meetings.

B. Program Operations (Chapter 296-05 WAC - Part C & D):

1. The sponsor will record and maintain records pertaining to the local administration of the apprenticeship program and make them available to the WSATC or its representative on request.

Records required by WAC 296-05-400 through 455 (see Part D of Chapter 296-05 WAC) will be maintained for five (5) years; all other records will be maintained for three (3) years.

2. The sponsor will submit to L&I through the assigned state apprenticeship coordinator the following list:

Forms are available on line at <http://www.LNI.wa.gov/scs/apprenticeship> or from your assigned apprenticeship coordinator.

- Apprenticeship Agreement Card – within first 30 days of employment
- Authorization of Signature - as necessary
- Authorized Training Agent Agreements (committee approving or canceling) – within 30 days
- Apprenticeship Committee Meeting Minutes – within 30 days of meeting (not required for Plant program)
- Change of Status – within 30 days of action by committee, with copy of minutes
- Journey Level Wage – at least annually, or whenever changed

INLAND NORTHWEST CHAPTER ASSOCIATED GENERAL CONTRACTORS
OPERATORS APPRENTICESHIP COMMITTEE

- Revision of Standards and/or Committee Composition - as necessary
 - RSI (Quarterly) Reports:
 - 1st quarter: January through March, by April 10
 - 2nd quarter: April through June, by July 10
 - 3rd quarter: July through September, by October 10
 - 4th quarter: October through December, by January 10
3. Adopt, as necessary, local program rules or policies to administer the apprenticeship program in compliance with these Standards that must be submitted for L&I approval and updating these Standards. The L&I apprenticeship program manager may administratively approve requests for revisions in the following areas of the Standards:
- Program name
 - Section III: Conduct of Program Under Washington Equal Employment Opportunity Plan
 - Section VII: Apprentice Wages and Wage Progression
 - Section IX: Related/Supplemental Instruction
 - Section XI: Committee - Responsibilities and Composition (including opening statements)
 - Section XII: Subcommittees
 - Section XIII: Training Director/Coordinator

C. Management of Apprentices:

1. Each apprentice (and, if under 18 years of age, the parent or guardian) will sign an apprenticeship agreement with the sponsor, who will then register the agreement, with L&I before the apprentice attends the related/supplemental instruction classes, or within the first 30 days of employment as an apprentice. For the purposes of industrial insurance coverage and prevailing wage exemption under RCW 39.12.021, the effective date of registration will be the date the agreement is received by L&I.

L&I must be notified within 30 days of program approval, of all requests for disposition or modification of agreements, with a copy of the committee minutes approving the changes, which may be:

- Certificate of completion
 - Additional credit
 - Suspension (i.e. military service or other)
 - Reinstatement
 - Cancellation and/or
 - Corrections
2. Rotate apprentices in the various processes of the skilled occupation to ensure the apprentice is trained to be a competent journey-level worker.

INLAND NORTHWEST CHAPTER ASSOCIATED GENERAL CONTRACTORS
OPERATORS APPRENTICESHIP COMMITTEE

3. Periodically review and evaluate apprentices before advancement to the apprentice's next wage progression period. The evidence of such advancement will be the record of the apprentice's progress on the job and during related/supplemental instruction.
4. The sponsor has the obligation and responsibility to provide, insofar as possible, continuous employment for all apprentices in the program. The sponsor may arrange to transfer an apprentice from one training agent to another, or to another sponsor when the sponsor is unable to provide reasonably continuous employment, or they are unable to provide apprentices the diversity of experience necessary for training and experience in the various work processes as stated in these Standards. The new sponsor or training agent will assume all the terms and conditions of these Standards. If, for any reason, a layoff of an apprentice occurs, the apprenticeship agreement will remain in effect unless canceled by the sponsor.
5. An apprentice who is unable to perform the on-the-job portion of apprenticeship training may, if the apprentice so requests and the sponsor approves, participate in related/supplemental instruction, subject to the apprentice obtaining and providing to the sponsor written requested document/s for such participation. However, time spent will not be applied toward the on-the-job portion of apprenticeship training.
6. Hear and adjust all complaints of violations of apprenticeship agreements.
7. Upon successful completion of apprenticeship, as provided in these Standards, and passing the examination that the sponsor may require, the sponsor will recommend that the WSATC award a Certificate of Completion of Apprenticeship. The program will make an official presentation to the apprentice that has successfully completed his/her term of apprenticeship.

D. Training Agent Management:

1. Offer training opportunities on an equal basis to all employers and apprentices. Grant equal treatment and opportunity for all apprentices through reasonable working and training conditions and apply those conditions to all apprentices uniformly. Provide training at a cost equivalent to that incurred by currently participating employers and apprentices. Not require an employer to sign a collective bargaining agreement as a condition of participation.
2. Determine the adequacy of an employer to furnish proper on-the-job training in accordance with the provisions of these Standards. Require all employers requesting approved training agent status to complete an approved training agent agreement and comply with all federal and state apprenticeship laws and the appropriate apprenticeship Standards.

INLAND NORTHWEST CHAPTER ASSOCIATED GENERAL CONTRACTORS
OPERATORS APPRENTICESHIP COMMITTEE

3. Submit approved training agent agreements to the department with a copy of the agreement and/or the list of approved training agents within thirty days of committee approval. Submit rescinded approved training agent agreements and/or the list of approved training agents to the department within thirty days of said action.

E. Composition of Committee: (see WAC 296-05-313)

Apprenticeship committees must be composed of an equal number of management and non-management representatives composed of at least four members but no more than twelve. If the committee does not indicate its definition of a quorum, the interpretation will be "50% plus 1" of the approved committee members.

Apprenticeship committees shall elect a chairperson and a secretary who shall be from opposite interest groups, i.e., chairperson-employers; secretary-employees, or vice versa; EXCEPT, this does not apply where the Registration Agency represents the apprentice(s).

For plant programs the WSATC or the department designee will act as the employee representative.
